

## Welcome Meetup Community of Atlanta!

### Defoor Centre is offering free meeting space for Meetups from Monday through Thursday when meeting monthly

Defoor Centre ([www.DefoorCentre.com](http://www.DefoorCentre.com)), conveniently located in Atlanta's new Midtown West, off Howell Mill Road at I-75, has seven unique event rooms that accommodate anywhere from 12 to 400 people. We want to offer free use of these rooms Monday through Thursday evenings 5pm – 10pm in exchange for a food and beverage minimum per person.

#### We have:

1. Gourmet food from a versatile executive chef;
  2. A full bar;
  3. Extras like projectors and A/V equipment available at reasonable cost
  4. Streaming capabilities with high-speed wi-fi in all rooms;
  5. Food services for birthday parties, annual meetings, all-day "camps" or seminars;
  6. Free parking.
- If there is an entrance fee, we would ask for a small percentage in exchange for a discounted beverage minimum.
  - For larger groups (12+ persons), tables and chairs will be set up by our staff for a small charge. For art groups and other meetups with special needs – larger tables, high-tops, etc. – there will also be a small charge.
  - No food including snacks or beverages can be brought in.
  - We would ask for a commitment of three, six or twelve months with a deposit that will be returned at the end of the term.
